

English Learning Map

Y7

Our pupils begin Key Stage 3 with an introduction to the key skills and knowledge needed for the study of English, building upon the foundations of Key Stage 2

Y8

In Year 8 we increase the breadth of English study, focusing on developing our pupils' skills and knowledge.

Y9

In Year 9, our pupils widen their understanding of English study with increasing challenge, whilst developing knowledge and refining skills learnt across Key Stage 3.

Y10

Pupils begin Key Stage 4 learning the key knowledge and skills needed for GCSE study, building on the solid foundation of KS3.

Y11

Year 11 pupils practise and refine their skills and revise their key knowledge in preparation for their examinations

Post 16

Whether our young people join Comberton Sixth Form or depart to other centres of/for education, training and apprenticeships, they will meet the challenges of Post-16 life with strong literacy and critical thinking skills.
