# iPads for Learning

# Excellence for All

We believe that embracing fully the potential of the use of IT in the education process can help our pupils to:

- **Learn powerfully**
- **Learn for life**
- **Learn from each other**

**We believe that iPads empower us to work together to open new avenues to learning, so that our students are flexible and creative and better prepared for the future.**

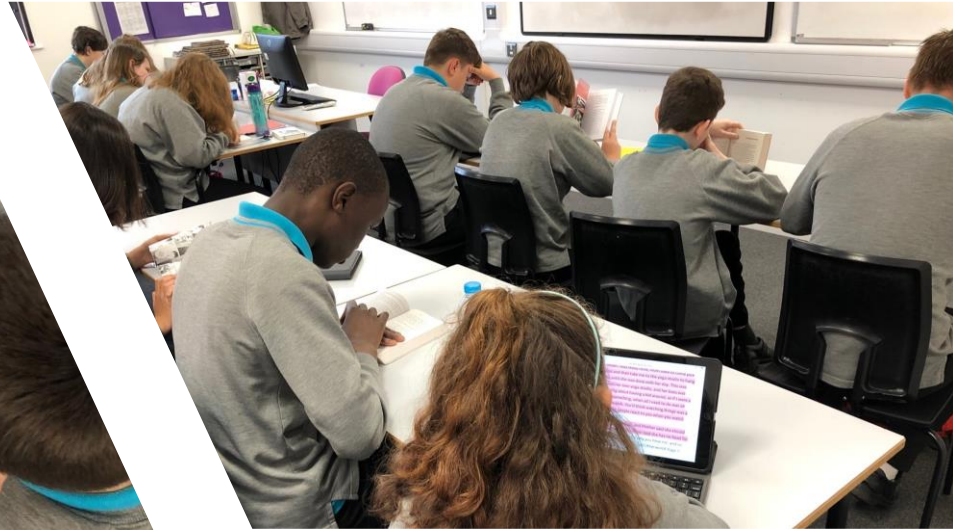

# Why iPads?

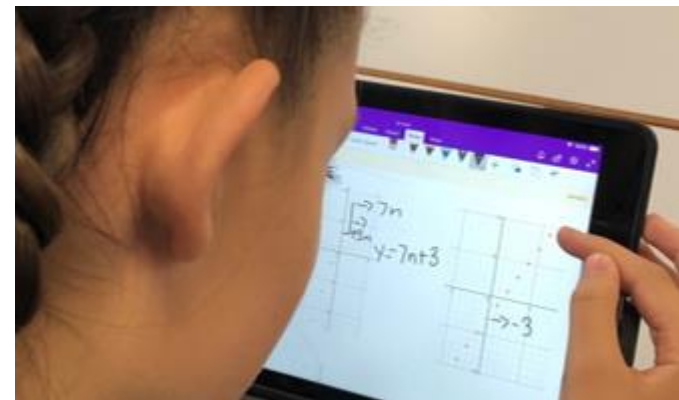

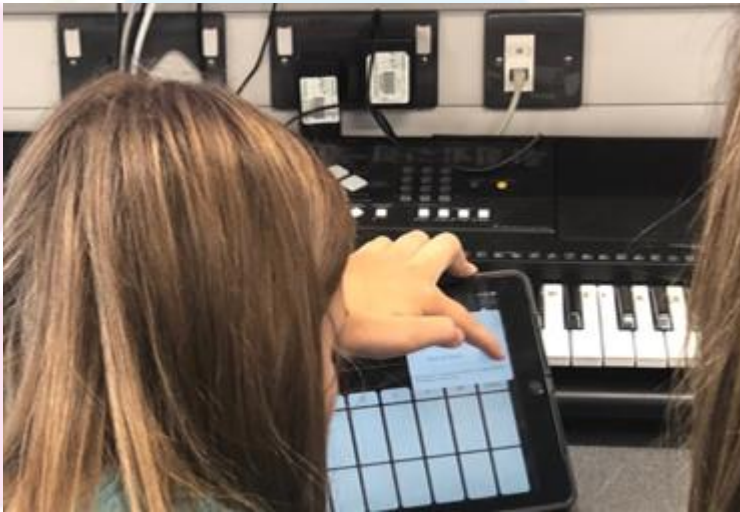

Following extensive research and trials, the iPad proved to be the most suitable in a number of key areas:

- 10-hour plus battery life
- Lightweight and portable
- A stable and reliable operating system
- Extensive range of educational Apps, including Microsoft Office
- Range of quality inbuilt sensors and camera
- Well established school management system
