Water Safety Reminders

Safety Tips

- Always read and comply with warning signs/notices
- Wear the correct personal floatation device: a life jacket or a buoyancy aid
- Tell people where you are going and go with a friend if you can
- Take a mobile phone or means of contacting others in a waterproof bag if possible
- Do not enter the water if you can't swim!!!
- Know how to best combat cold-water shock

Dangers of Open Water

- The water is often far deeper than people might think
- It's very cold, which can quickly cause cramp and breathing difficulties and cold-water shock
- It may contain hidden rubbish and debris, such as shopping trolleys and broken glass, which can cause injuries and lead to drowning
- It can be polluted which could lead to illness

Water Safety Reminders

If you do decide to swim in a lake or river, make sure you keep yourself as safe as possible...

- Don't jump or dive in as the water can contain unseen hazards and be far deeper than it looks
- Never swim near weirs or locks as there are often dangerous currents
- Always make sure someone on land knows you are swimming

If you see someone in trouble in water

- Do not hesitate - call 999 immediately
- Find the nearest life ring and throw it to the person. If a life ring is not available, throw in anything that could help them float, for example, a football
- If someone goes under the water, mark on the water's edge the place they were last seen with something like a piece of clothing

Swimming Club

- The PE department have sent a Comberton Post this week, advertising swimming lessons after May half term for pupils in Years 7 – 9.
- If oversubscribed, priority will be given to non-swimmers.
- Mondays 3-4pm for confident swimmers

Anti-Social Behaviour

Before you go out, tell you parents or carer:

- What you are planning to do?
- Where you are going?
- Who you going out with?
- What time, and how you will be getting home?

Think!

- Do NOT cause damage to property
- Do NOT put yourselves or others in danger

A screenshot of the Cambridgeshire Constabulary website. The background is a photograph of a smiling police officer in a dark blue uniform and helmet. In the top left corner, the Cambridgeshire Constabulary logo and name are visible. A dark grey box contains the text 'How can we help you?'. Below this is a white search bar with the word 'Search' and a magnifying glass icon. At the bottom, there are five blue buttons with white icons and text: 'Report' (document icon), 'Tell us about' (flag icon), 'Apply or register' (award icon), 'Request' (folder icon), and 'Thanks and complaints' (thumbs up/down icon). A red vertical button on the right side says 'Leave this site'.
